

Marin Education Fund's Favorite College Search Websites

www.CampusCompare.com

- Very user friendly and easy to navigate
- "Six ways to search"; State, Major, Career, Ivy league, Sport, "A-Z"
- "What are my chances?" feature uses student test scores and GPA
- Financial Aid calculator
- Syncs with your Facebook

www.CampusExplorer.com

- Create a personal profile to save information about potential schools
- Search for schools by type, location or program
- Provides important data about each school; level of selectivity, application costs, campus ratios of gender, ethnicity and geographic breakdown

www.AnyCollege.com

- Search for schools by program, location, school type or religious affiliation
- Provides links straight to schools' application, informational videos, campus visit information and featured articles

Non-Profit Sites

www.CollegePortraits.org

- Very student friendly
- Provides student with a helpful "User Guide"
- College search is by location

www.UCAN-Network.org

- Good for searching for specific schools
- Search is by school name
- "Advanced Search" option offers information about student enrollment and retention rates
